The association then adjourned to meet again at the City Council Chamber on Friday evening, the 15th instant, at 7 o'clock. All the members of the Executive Committee, and such ladies and citizens as feel disposed to participate in aiding the association in its benevolent objects, are requested to attend.

SCUDEN DEATH.—An employee who had been discharged on account of bad health, at Johnsonville, arrived in this city Saturday night before last. He stepped into the Louisville Hotel, and Mr. O'Brien, the clerk, told him he had better sit by the fire until morning. Early yesterday morning he was found in the water closet in a dying condition, and before medical aid could arrive the unfortunate man died. His name was Ira Mott. Some papers and money found on his person are in the hands of Coroner Gill, who held an inquest, and had the body buried in the Western cemetery.

BARRETT'S NO. 1.—Yesterday was rather a lively day at the barracks for Sunday. The recruits were one hundred and forty convalescents from different points, and four deserters from Indianapolis. The transfers were one thousand and forty-two convalescents to Nashville, fourteen to Washington, and seventeen to Cairo, Illinois. Six prisoners were sent off as follows: three to Cincinnati, one to St. Louis, one to Alton, Illinois, and one to Columbus, Ohio.

Cigar Manufacturers.
The cigar manufacturers of the city of Louisville are requested to meet in the back room of the Assessor's office, on Jefferson street, between Third and Fourth streets, on Thursday afternoon, the 17th, at three o'clock, as matters of the greatest interest to all will be brought before the meeting.

MILITARY COMMISSION.—The Military Commission, of which Brig. Gen. Judah is President, will convene in the Chancery Courtroom at 10 o'clock this morning for the trial of the case of Lieut. Paul, of the Fourteenth Illinois Cavalry, who is charged with neglecting false reports in regard to ration, and thus swindling the Government out of a considerable amount.

ORCHARD HOUSE.—This splendid hotel and restaurant, under the management of W. A. Clark & Co., is doing a thriving business. They are constantly in the receipt of orders, venison, and game of every description, which they serve up in excellent style. They are prepared to furnish suppers in any part of the city upon the shortest notice.

CITY.—Yesterday was a sublime and beautiful Sabbath day. The city was unusually quiet and the day was generally observed as one of rest by everybody. Nothing of importance transpired. The night was clear and cool and the tolling church bells summoned large congregations together in the different houses of worship.

"LOOK OUT, DUCKS."—We understand that a large party of young gentlemen of this city and county intend starting for the prairie in a day or two on a hunting excursion. If the boys don't succeed in killing a great deal of game, they can have the satisfaction of knowing that they have killed a great deal of time.

McGill Club.
The McGill Club will meet at Beck's Hall on Wednesday evening, the 16th instant, at 7 o'clock. Every member should be present, as business of importance will come before the meeting.

One of the best and most energetic mail agents in this country is Billy Patton, Esq., on the Louisville and Nashville railroad. We are under obligations to him, repeatedly for favors. Yesterday he furnished us with Nashville papers.

A man by the name of Alexander Talbot was yesterday arrested and lodged in jail. He is charged with being concerned in the highway robbery of a man, whose name we did not learn, on election day.

Job Printing of all Descriptions, in Plain and Fancy Colors, Neatly Executed, at the Shortest Possible Notice, Call and Examine Specimens and learn prices.

The Democrat is supplied to all parts of the city promptly by faithful carriers. Those wishing to be added to the list, or to discontinue, please call on the carrier, or on the office, or on the publisher.

Some cars ran off the First-street railroad yesterday. No one hurt.

Amusements.
WOOD'S THEATRE.—Mr. Edwin Adams, the talented young tragedian, returns to us from the metropolitan cities of the East, bringing fresh laurels. He is heralded by the press as one of the greatest actors on the American stage. He commences his engagement at Wood's theatre to-night, appearing in the great character of Hamlet, in Shakespeare's tragedy of that name, a part in which he equals if not surpasses Murdoch, the recognized "Prince of Denmark." Those who witnessed the matches performed by Mr. Adams during his former visits to our city will be sure to see him again; and we would advise those who have not seen him to go to-night and witness his great impersonation of Shakespeare's greatest creation—Hamlet. Nearly a year ago this gentleman came to our city as an stranger, but during an engagement of two weeks he won the admiration of every one who saw him. We predict crowded houses for him during his present engagement.

LOUISVILLE THEATRE.—The favorite comedienne, Miss Emily Thorne, will make her first appearance in our city to-night, at the Louisville theatre, as Paul in the comedy of the Pet of the Petticoat. The performance will conclude with the farce of Sketches in India.

JOB PRINTING.
The JOB DEPARTMENT in the Democrat Office is ready for all kinds of printing. Bills, Circulars, Cards, Posters, &c., printed at the shortest possible notice, and at prices to suit the times.

DISEASES OF THE EYE AND EAR.—Dr. Gardner, formerly of London, England, oculist and surgeon, operator on the eye and ear, who has been meeting with great success in the principal cities of the United States since his arrival in this country, respectfully informs the citizens of Louisville and vicinity that he has taken rooms at the Louisville Hotel, parlor No. 117, first floor, and can be consulted daily from 9 A. M. to 1 P. M., and from 2 to 6 P. M., on deafness, noise in the head, earache, discharges from the ear, scales in the ear, accumulation of wax in the ear, polypus in the ear, obstruction of the eustachian tube and all acute or chronic diseases of the ear and all passages.

Artificial eyes inserted without pain, and perfectly resembling the natural eye. Operations for strabismus or cross eye, artificial pupil, &c., skillfully performed, and all diseases of the eye and ear treated, and every operation in ocular and ophthalmic surgery performed by Dr. Gardner.

Any one desirous of having his opinion of any case relating to either the eye or the ear, will at all times receive the same candidly. If application be made in person, he is generally able to cure or effect relief. If not, whether relief can be given, and to what extent.

THANKSGIVING DINNER AT THE HOSPITALS.—Members of the Ladies' Soldiers' Aid Society, of the Christian and Sanitary Commissions, Chaplains and Surgeons of the Hospitals, are requested to meet at the small hall of the Masonic Temple, Monday morning at 10 o'clock, to make arrangements for providing a Thanksgiving dinner for our sick and wounded soldiers. A full and punctual attendance is desired.

Election Returns.
HARDINSBURG, KY., Nov. 11.
Messrs. Editors: Inclosed you will find the official vote of Breckinridge county: McClellan, 903; Lincoln, 42.

LEWISPORT, KY., Nov. 10.
Messrs. Editors: The following is a true statement of the vote at the close of the polls, November 8, 1864, in Breckinridge county: McClellan, 903; Lincoln, 42.

The following is the official vote of Hardin county: McClellan, 1,007; Lincoln, 83; McClellan's majority, 924.

BOLD ROBBERY.—A government employee was knocked down, badly beaten and robbed of two hundred and forty dollars, on Friday night, by three men who met him near the Rock City Mills, at the foot of Cherry street, in Nashville. The Union says the unfortunate man had just received six months' wages, and was on his way home to his family. He did not learn his name. The time when this outrage occurred was about 10 o'clock, and in bright moonlight. All that he remembers of the occurrence was that three men approached him, and one spoke to him. As he turned his head to see who it was, he was struck a violent blow and rendered insensible. That city is full of desperate characters, and too much caution cannot be exercised by all who do business there. It is necessary to be on alert at night. A bullet could not be sent to better use than to rid the world of some of these villains.

ILLINOIS COTTON.—We learn that the cotton crop has been very successful this season in Southern Illinois, paying far better than any other product. Near four hundred bales have already been shipped from Carbondale, and more than as much more will be shipped. It is coming into Cairo with equal rapidity, and the entire line of the Central railroad. Extensive preparations are being made for the coming year, and if the season is propitious, the cotton crop will be really immense.

Hood's Army is now on the north side of Tennessee is about the following force:
Hood's corps..... 7,200
Cheatham's corps..... 7,000
Stewart's corps..... 8,000
Dick Taylor's army..... 5,000
Total..... 27,200

He has also with him 63 pieces of artillery, thirty six and twelve pounders—brass pieces.

SUICIDE.—On Thursday morning the body of a man was found near Braddock's Field, Pennsylvania, suspended from the limb of a tree. In his pockets were discovered several letters addressed to John M. Smith, from Monroe county, Kentucky, and it is probable that it is the name of the self-murderer. He was about forty years old, and was dressed in soldier's clothing.

ESCAPED CONVICTS.—On Friday night three convicts, Jno. Roberts, Jno. Tidwell, and Geo. W. Terrell, who were confined in the Clark county Jail, July, at Charleston, on serious charges, succeeded in making their escape by the process of tunnelling under the walls. A reward has been offered for their recapture.

SUDDEN DEATH.—Anthony McElroy, Esq., died at his residence in Pittsburgh about noon on Thursday. It appears that he took a severe cold on the night of the Republican procession, and was confined to bed on Sunday. Notwithstanding this brief warning, his death was sudden and unexpected.

FROM MISS DROWNED.—On the last trip of the steamer Conway a very serious accident occurred among some soldiers, which ended in four of the party being drowned, and another being narrowly rescued from a watery grave. They were all intoxicated at the time they fell overboard.

AFFECTING INTERVIEW.—The wife of Edw. W. Green, the Malden (Mass.) miner, had, on Wednesday, her first interview with him since the day for his execution was fixed by the Executive. The interview occupied half an hour and was very affecting.

out embarrassments will become insurmountable.

I would earnestly urge upon Congress the

adoption of a dispatch, and by the

adoption of vigorous and decided measures,

restore the value of the currency and avoid

the anxiety with which we are threatened.

New York, Nov. 12.

A committee consisting of some of the leading

merchants and citizens have been appointed

to carry out the proposition to furnish soldiers

and sailors a Thanksgiving dinner, open

to the people of the North to join in their

efforts. They ask for cooked poultry and

other proper food, as well as mince pies,

macaroni and fruit. But if any one is so

stupid as not to be able to cook, poultry or

mince will be received uncooked. What is

sent should be wrapped in white paper, boxed

and addressed to George W. Blinn, Gettysburg

Building, Trinity Place, New York. If un-

packed, they should be so marked outside,

and a list of the contents accompany the box.

Nothing should be sent cooked prior to Nov.

14th. Unpacked poultry or mince should be

sent to New York on or before the 14th of No-

vember. Contributions in money should be

sent to T. Roosevelt, Treasury No. 84, Maiden

Lane. Express companies have generously

offered to transmit all contributions free of

charge.
